INCLUDES: (1) Ultra-soft, ultra-plush, goose down-alternative quilted comforter / duvet insert.

MATERIAL: Comforter shell is crafted from ultra-soft 100% microfiber. Comforter filling is ultra-plush 100% polyester, providing the luxurious feeling of goose down, with relief for those with allergies to feather bedding. All fabric and filling is Hypoallergenic.

FEATURES: Classic and contemporary ultra-plush comforter with hypoallergenic barrier bedding protects against dust mites, mildew and allergens. With an ultra soft shell made of the finest 100% Microfiber and lofty Down Alternative Polyfill, this comforter / duvet insert excels in comfort. The microfiber shell is luxuriously soft and noiseless, and the hypoallergenic fill provides warmth that adjusts to your body's temperature. Vibrant Colors made exclusively not to fade with washing.

CARE INSTRUCTIONS: Machine washable and dryer safe. Recommended - Machine wash gentle cycle with cold water. Sun dry or low tumble dry.

DIMENSIONS: Queen, 88" x 88"
